BUSINESS VILLAGE, 72 LEAK ROAD, STOKE ON TRENT, ST4 2AR**

Details:

There have been many critics of Shakespeare's wholesale defamation of the fiery Macbeth. Now, at last, is simply a new play, based on the known facts about the life of the much maligned Scottish king.

*Deborah McAndrew's **King Macbeth** paints a compelling portrait of a gifted and charismatic young man, blown by the winds of birth, grief and love to the brink of power. Using a haunting blend of music, prose and verse, McAndrew discovers passion, violence and surprising tenderness in 11th Century Scotland.*

The reputation of a great man is restored.
